Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Sunday 26 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright in east, rain later in west today.

Today:
Many areas will have a dry day, some warm sunshine in the north and east. Rain will gradually spread into western areas through the afternoon. Windy in the far west.

Tonight:
Rain will continue to spread east through this evening and night, some of this heavy at times. Far east may remain dry until late in the night.

Monday:
Cloud and rain clearing away during the morning to leave a bright afternoon with a few showers.

Outlook for Tuesday to Thursday:
Rain developing across the south and east on Tuesday, showers in the northwest. Becoming mainly dry on Wednesday. Further rain will spread east on Thursday.
